

Bill -

Thanks for your prompt
and efficient service.
We certainly appreciate your
taking time out of your
evening to come to the
park & check out our
slide. Sorry we couldn't
wait to have it fixed,
but we really appreciate
all the time you involved
in trying to get it fixed.

Best regards,
Josef Fobez

Billy,

Thanks so much for
always coming to my rescue
with my Pleasure Way. You
have always been so generous
with your information in
helping me.

I wish you continued
success with your business.

Thank you,
Jenny Hardy

Billy.

Sorry you didn't get this sooner
but I waited until I got home
to make out the check and send it.

I really appreciate your help with
my refrigerator problem when
we were camping at the gun club
in San Antonio.

Again Thanks for all of your help.

Dear Billy

We really appreciate the help you gave us in our Measure 5 way
last weekend. The problem was just as you said again
thanks for taking the trouble to call us back. The second
check is not much, but maybe you can go out to dinner
on us. Thanks again

Billy,

Thanks for your help and having our best interest in mind. If we have additional problems with any of our campers while we're in the area we'll call you. We'll also recommend you to anyone who asks us if we know a good repairman.
